

# Cover Sheet for Portfolio and Sketchbooks

You are kindly asked to send an electronic copy of your original artistic work, so we can experience the full range of your creative skills, including your observations, developments and testing of ideas, and the final work itself. Please ensure that you include scans of your original sketchbooks showing your working processes, however 'messy' or informal.

Please complete and sign this Cover Sheet to verify that the work is your own. This should be submitted by no later than **4th November 2024**.
